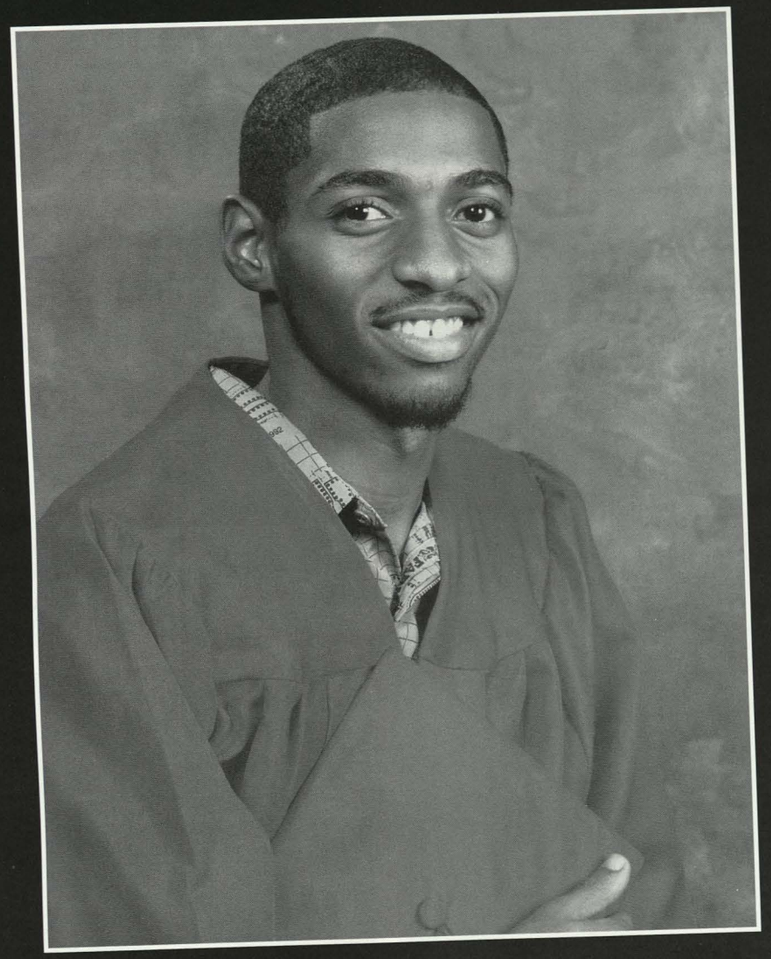
Dedicated to the memory of



Deandre Boykin

Untouchable Pain

Pain filling through my heart, filling like things are bought to get rough, lounging back in my lounge chair, wondering deeply is my loving friend out there, he passed away without any laughter, left us, left us feeling sadder, sadder for you. Our loving friend will never be here again, It's killing us, killing our heart, and our soul. Tears are running, running down our face, filling pain, untouchable pain, painfulness, you have it feel it sticking us, sticking us in our back, as if it was a pin. Considering what will we ever do? Our Friend, our loving friend, has made us feel sad and blue, Boy as life going bye, Pain, Untouchable, Pain is filling in on our life. Better understand, understanding it right now, Pain is not wiping none of our strong tear AWAY.

R.I.P. DeAndre Boykin#34
